March 2019

Welcome to Spring! How good it was to have such wonderful weather a week ago— But sadly it could not last and the rain is here—good for the garden though. I hope you all managed to enjoy the sunshine while it lasted.

We had a very good Four corners Meeting in February and many thanks to Gill Harris, Ruth Archer, Hazel Richmond-Coggan, Pam Rose and Katherine Clayton for showing us new techniques and giving us new ideas. Thank you to Karuna for organising the tables.

If any member wishes to learn a specific technique the next time we have a Four Corners Evening please let a member of the Committee know and perhaps we shall all learn something new.

The March Meeting will be a talk by Judi Kirk - 'What judges look for'. I am sure this will be a very interesting evening and perhaps make us all Exhibit some of our quilts!

### Newsletter

We urgently need someone to take over the production of the Newsletter. I have found this a fun and rewarding task and not at all onerous.

Please volunteer and help MVQ continue to have a Newsletter.
