Christmas Party fun 2018

Wishing you all a very Happy, healthy and prosperous New Year.

We had a very good Christmas Party in December despite the terrible weather and our monthly meeting clashing with Bookham late night shopping and road diversions but well done to all those Members who managed to get to the Barn Hall. Many thanks to all members of the committee who helped make the party a success.

Also many thanks to Hazel for helping us with the card making and supplying all the necessary bits and pieces to make a truly wonderful Christmas card—many ideas. Thank you also to Katherine (Clayton) for helping us with the 'surprise activity' - Scandinavian Fabric Stars. Thank you Katherine for your patience for those who did not get it right first time! And thank you Margaret for a delicious chocolate cake!

Margaret Markham send in the following message:

"What a great evening we had last night, I enjoyed it very much and as I am not usually a 'party animal' the MVQ's Christmas party was a special.

To have time to exercise the 'little grey cells' in a semi competitive way, also to be able to indulge our love of 'fiddling' - as my husband would describe it— to come home with a new skill and ideas, was the icing on the cake."

The raffle on the night raised £65—so well done everyone—I think we had a good party!

Sandy

## New Treasurer

As you all know we have a new Treasurer and successor to Gill Harris - Brigitte Tiller.

We welcome Britt on to the Committee.

Dear Friends.

May I introduce myself. I am Britt Tiller, your new Treasurer and successor to Gill Harris. Quilting and making crafts is a passion of mine, in particular decorating a project. As we travelled a lot due to my husband's career I have been fortunate to come across many ways of creating lovely works.

I look forward to being part of MVQ Committee and support the decisions made to make each meeting a source of pleasure and discovery.
