March 2018

Find us on Facebook—Mole Valley Quilters

Unfortunately March's Meeting is Cancelled due to heavy snow

The daffodils are bending their heads and the wind is very cold and snow is on the ground a very good time to keep on sewing!

I hope you all enjoyed our evening last month of Show and Tell. There were certainly some lovely quilts to see and stories told.

MVQ continues to go from strength to strength. Our membership is growing and we have some great evenings to look forward to. We had one new Member at the February meeting, - welcome to Nadia Cadby who showed us her beautiful long-arm quilts towards the end of the Show and Tell.

Marie-Louise also talked about her prison visit and the work they are doing.

Sue Atkinson is doing three workshops in June. Please sign up as soon as possible—the lists will be at the meeting. Details are also on the website and I attach a flyer overleaf.

Next month it is our AGM. MVQ needs your support and we have vacancies to fill on the Committee and if anyone is willing and interested in joining the Committee please talk to Marie-Louise. It would be good if a few new bodies with fresh ideas could join us.
