**November 2019**

Welcome to Winter! Summer time has ended and the nights are drawing in and Christmas is just around the corner.

Our speaker last month was Gail Lawther and she gave a very interesting and inspiring talk and also came along with her books and patterns—and we were able to pay by card!

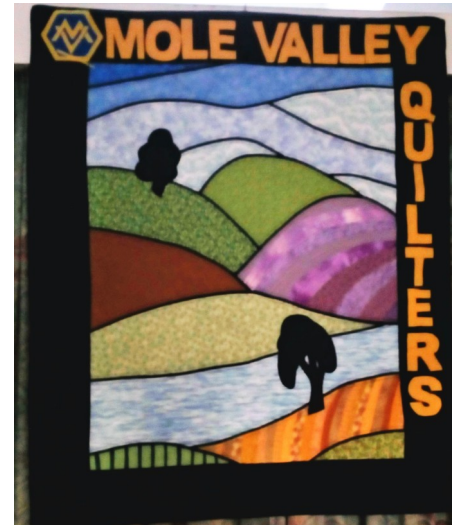

The next day Gail gave her workshop at West Horsley Village Hall. There were 16 keen members eager to make a “Doodlebird”. Gail is an excellent teacher with loads of patience and good humour. I think we all nearly finished our Doodlebird and I hope you have brought them along tonight for “Show and Tell”.

Mr Hugh Baker will give us a short talk on “Tools for Self Reliance”. This will be followed by a “Show and Tell” of Doodlebirds and then “Two corners.” Karuna has sent out instruction for the corners and thank you to Gill, Eira, Jenny and Committee Members who are showing us how to make a Manx log cabin square and a folded butterfly brooch.

I attach a couple of photos from the Kaffe Fassett Exhibition in Bath. A small Exhibition but very colourful. The Exhibition finished on 3 November

Congratulations to Nadia Cadby who has been appointed the Surrey Area Representative for the Quilters Guild.

Tonight's Meeting is Bring a Friend so I hope all those guests have an enjoyable evening.
