April 2018

Find us on Facebook—Mole Valley Quilters

I hope you all had a very Happy Easter with time to sew and let us hope that the sun will shine again and the rain will stop!

The March meeting was cancelled because of adverse weather and was rescheduled a week later in the Barn Hall and 24 people attended including 4 visitors. Linda showed us how she put her random quilts together and I will bring the block I showed to the April Meeting.

We welcomed 4 visitors Catherine Clayton, Gill Harrold, Jane Atkinson and Jennifer Bostock.

This year I come off the Committee and we are looking for new persons to join our other members. A change is good, it brings new and different strengths so if you would like to join the other members we would love to hear from you.

Gill Harris, our Treasurer, will be staying on until after the Exhibition. So we have posts to fill!

#### Nancy Hand

Some of you may remember Nancy Hand who joined Mole Valley Quilters in 1999 and who remained a member for several years. Sadly she died earlier this year.

While I was working in Leatherhead Library recently, I got chatting to a couple from the States. It transpired that this was Nancy's son and daughter-in-law, over from North Carolina. They were delighted that a couple of her quilting friends had come to her funeral. They also told me that, for the service, they had draped the coffin with the quilt Nancy had made them when they got married.

Small world! Sweet memories!

## Thank you

A big thank you to Marie-Louise and Gill Harris who are leaving the Committee this year. Marie-Louise, as chairman, has guided, encouraged and amused us.

Gill with her hand on the cheque book has kept Mole Valley Quilters on a strong road!

We shall miss you both on the Committee, but look forward to your expertise at the Meetings!
