This is the first Newsletter of 2020! Since the December issue we had an enjoyable Christmas Party and a very good January Meeting. An excellent Show and Tell—what talented Members we have and Marie— Louise very kindly showed us how to pin our quilts. Thank you Marie Louise.

We are still collecting items for tools for Self Reliance so if you have any haberdashery or fabrics 'you no longer need please bring them to the meetings. A big thank you to Ruth Archer who has delivered some items to Hugh Baker.

Also another reminder that Jane is our Keeper of the wadding—it is £9.00 a metre. Please contact Jane if you require any.

The new Tea/coffee rota is on the notice board. There are still a few gaps so if you are able to help do please put your name down. Thank you.

Katherine would like to thank all members for taking the time to complete her questionnaire. When the results are collated Katherine will talk us through it.

Tonight we welcome Kate Findlay a professional artist working mainly in textiles. Her talk tonight is entitled 'Working in Series'. So we can look forward to a very interesting evening.

## Fire Challenge 2019

Congratulations to Karuna Lawrence on winning the Fire challenge 2019

## Christmas Party 2019

### Australia—Support the Bush fire Effort

Karuna very kindly sent out an email requesting 'Support for the Bush fire Effort.' The Quilters' Guild has asked us to contribute by making a 12.5 inch block featuring a tree which will be made up into a quilt for families in Australia who have lost everything in the bush fires. All the patterns and details were included in the email.

The blocks need to be finished and delivered to Janet Hall by Wednesday 26 February. There will be more information regarding collection of the blocks at the meeting.

### MVQ—we need your support!

Our AGM is in April and we have a very exciting programme for this year! We are still looking for Members to help on the Committee and if anyone would be willing to give us a hand with the Advertising and/or the Newsletter we would be very grateful. These tasks are not onerous and help will be given!!
