Dear Members

I hope you are all well and keeping busy. I know this is a very difficult time for all us.

As you know from Karuna's emails our meetings for **April (AGM), May and June are cancelled**. And Kate Findlay's workshop in June has been postponed.

Following our 'Virtual AGM' Christine Stansfield voted the committee in again and this was seconded by Ruth Archer.

We have had 23 emails from members approving the Treasurer's Report and Annual Accounts.

Subscription increase for the coming year from £38 to £42 has also been approved by the Members. (However as there will be fewer meetings this year due to COVID-19 we will reduce the annual amount pro-rata ie by £4 for each meeting we are able to hold.)

A copy of the programme for the year was also included and this will be printed and amended when we resume our meetings.

We had an inspiring and interesting evening with Julia Gahagan at our March Meeting—'It's a small world' and I think many patterns were bought!

Although Bookham Village Day has been cancelled they are having the same theme for next year so if you have finished your Elephant block could you please send it to Pippa Bishop as she would like to put it together. Thank you

Some of the Members thought it would be a good idea to keep in touch over this period so Katherine Clayton has set up a WhatsApp page which has been very busy. If you would like to join the group please send your mobile phone number to Katherine. Her email address is on the Membership list recently sent out to you.

For those Members on Facebook I have resurrected our page that Kate Christie set up—if you are familiar with Facebook please like the page and add your comments or your projects!

This is a wonderful time to sew, garden and bake and I have included a selection of pictures from our very busy members!

We will contact all members by email when we resume our meetings but there will be no Newsletter until meetings resume. The website will also be up to date.

Stay safe, well and happy!

An Evening with Julia Gahagan

Our members have been busy sewing, baking and looking after their new hens! Please send in pictures of your projects or post them on Whatsapp

Gill Harris has cut hundreds of squares out to be joined together. If you can help please contact Gill. Number on your Member's List
