**April 2021**

Dear Members

Welcome to Spring as lockdown lessens! Let us hope that we shall soon be meeting up again and getting together with our families and friends. Wishing you all a very Happy Easter.

Our April Meeting was our AGM and attached with the Newsletter is the Annual Report for 2020/2021.

We had 21 Members attending.

## Subscriptions

Subscriptions for this this year are now due and remain at £42. If you can pay by bank transfer please do otherwise send your money to Britt Tiller. Bank details are: sort code 30-92-70 Account 01187435.

## Programme for 2021/2022

We have a full and varied Programme for the coming year. Meetings will continue on Zoom until August when we hope we can all meet up for a summer party. We shall let you know the details nearer the time.

## Exhibition

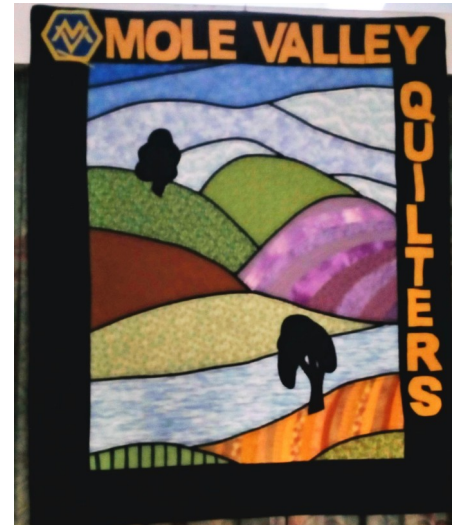

Our Exhibition was to be held in September at Painshill Park, Cobham, but after much discussion it was decided to postpone until next year 2022. As we shall not be meeting up until August we felt we were left with very little time to organise a good Exhibition and be proud of Mole Valley Quilters. Pippa will still finish our Autumn Leaves quilt which will be raffled then. We shall also have a Sales Table and this postponement gives us all more time!

## Bookham Village Day

Bookham Village Day will be held on August Bank Holiday Monday and this will give Mole Valley Quilters a chance to show off our beautiful Quilts. Pippa has already made and completed the Safari Quilt which will be raffled and all our sales table items made for the Exhibition can be sold at Bookham Village Day.

Bookham Village Day will probably be a little different due to social distancing but it is certainly something we can all look forward to.

Ruby Challenge—this needs to be finished by July—details will follow regarding judging!

Delicious Easter Cakes

After the AGM Sue Waters very kindly talked about her appliqué animals which were certainly very striking—so do not throw away any of your tiny bits of fabric !

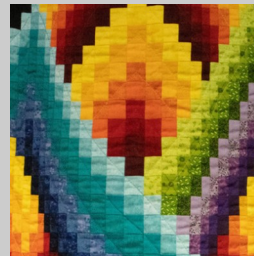

As seen on Facebook!
