December 2021

Dear Members

I cannot believe that it is only three weeks until Christmas and hopefully this year we shall all have a very happy time with families and friends.

The Committee wish you all a very Happy Christmas and a peaceful New Year.

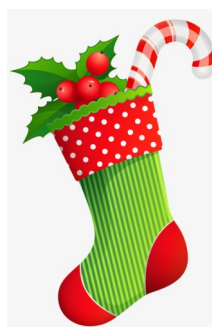

Last month's meeting was a talk by Janice Lawrence entitled 'Ancient Peruvian Textiles up to the time of the Incas.' Some of you will have seen Janice's work at her Exhibition held at Denbies. Unfortunately I was unable to be at this meeting but understand it was very interesting and many thanks to Janice for stepping in at the last minute as Penny Armitage was unwell. We all wish Penny a speedy recovery and very much hope that she will come and talk to us next year.

Tonight's Meeting is our Christmas Party. There is sewing, quizzes and Raffles. I would like to thank Pippa for putting together such beautiful packs for us to sew. Thank you also to all the Committee for making this a really jolly evening and I hope you all enjoy it.

Sandy

Examples of Janice Lawrence's work
