July 2021

Dear Members

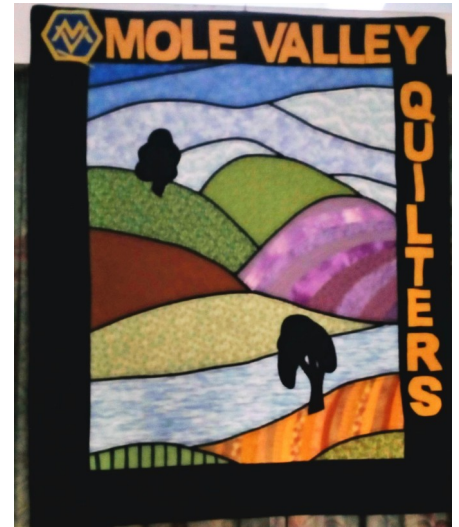

We welcomed 30 members and 10 visitors to our July zoom Meeting. We had an excellent and fascinating talk by Anne Sillifant on embroidery—so many new ideas, painting and dyeing fabric, etc.

This was hopefully our last Zoom Meeting this year. Zoom has been a wonderful communication app that has kept us all in touch during the last 18 months. I am certain we shall be using Zoom again but our next meeting is face to face and I look forward to seeing you all again.

We have a busy programme for the rest of the year starting with our Summer Celebration Ruby Tea Party (by kind permission of Pippa Bishop). There is still time to let Pippa know that you can attend and please ask her if she needs a cake/biscuits or soft drinks. Her email is: (philippa99bishop@gmail.com). Also if anyone needs a lift please contact any Member of the Committee. The Ruby challenge will be judged at the Tea Party so remember to bring your challenge!

I look forward to seeing you all at the Tea Party in August and then in the Barn Hall on Thursday 2 September.

At this September Meeting we shall be organising PAT testing of sewing machines. So remember to bring your machine and money! We shall let you know how much this is going to be. Any member attending a workshop in a public place must have their machine PAT tested. (PAT testing is valid for 12 months)

Bookham Village Day Monday 30 August 2021 at the Barn Hall

Please come and support Mole Valley Quilters at the Barn Hall. All quilts to be displayed should be brought to the hall in the morning at 9.00 am and collected at 4.00 pm. Quilts should have sleeve on the back either sewn or pinned.

We also need helpers during the day to man the sales table, sell the raffle tickets for the Safari Quilt, and promote Mole Valley Quilters. Please contact Katherine Clayton if you are able to help even for just an hour!!
