June 2020

Dear Members

On Thursday we had our first online 'Zoom' MVQ meeting with Kate Christie. Nineteen members participated - we all enjoyed seeing each other on screen and had a chance to say hello and wave to one another at the start. Best of all, the technology worked well, with hardly a hiccup!

It was wonderful to welcome Kate back to Mole Valley Quilters and hear her talk on the Houston Quilt Fayre. She showed us pictures of so many beautiful quilts large and small and many with such delicate and intricate quilting—there were contemporary and modern quilts in abundance. Kate told us about her experience of staying in Houston and attending classes, and from her slides we could imagine the size of the venue. Thank you, Kate, for the experience, and many thanks to Britt for hosting and keeping us all in order. I would also like to thank all the Committee Members for making the zoom meeting a success.

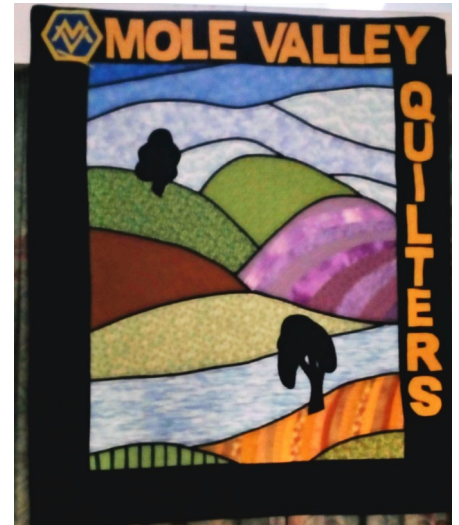

We hope to hold another Zoom meeting, probably in July, but we will let you know once we have worked out the details. If there are any Members who would like to join in the Zoom meetings and are not quite sure, how please ring a committee member and we will try and help you get started on your computer or tablet.
