November 2021

Dear Members

Welcome to November! The clocks have gone back the evenings are drawing in so perhaps more time for sewing! But as I write the sun is shining half term has gone and there seems to be a lot of gardening to do!

We had a very successful October Meeting with Jenny Barlow and the History of Quilts. Jenny showed us many very old hand quilted quilts and it was so good to see real quilts and be able to handle them.

We had 24 Members including our two new Members at the October Meeting.

Tonight we welcome Penny Armitage who will be speaking to us about her work entitled 'Applique, Silk and Satin.' Penny used to be a Member of Mole Valley Quilters so many of you remember her. As Karuna said in her pre meeting email do look at Penny's online Gallery.

Next Month is our Christmas Party. Please put your name on the list if you are able to come.

We also have three gaps on the Tea and Coffee Rota which is attached with this Newsletter. Can we have volunteers please?

Also regarding lifts to meetings—there is a list now so please sign up if you would like a lift and then we can find willing volunteers!

Committee Members

At our AGM in April 2022 we shall be welcoming in a new Committee. We do have spaces for a **Treasurer, Secretary and Chairman** and also some willing Member who will write the Newsletter and help with publicity. I know we all want Mole Valley Quilters to continue to be a thriving club so if you feel you can help in any way please contact a Member of the committee.

I am very happy to continue to update the website unless there is someone else eager to do so!

Time Passes

Life begins
Distance separates
Children grow up
Love waxes and wanes
Men don't always do what they're supposed to do
Hearts break
Parents die
Colleagues forget favours
Careers end
But
Your girlfriends are never far away to cheer you up,
cheer you along and cheer with you

With many thanks to Gill Harris.

A reminder from Marie Louise

If you have been doing a Heart Block for Marie Louise please send it to her or bring it to the November Meeting.
