

# Mole Valley Quilters and Crafters

April 2026

## AGM Report

The AGM on 2 April was very well attended and the business was dealt with quickly. Gifts were presented to Pam and her husband in gratitude for hosting the Garden Party and to Eleanor to thank her for many years as our Programme Secretary.

Katherine Clayton was re-elected as Chairman, Britt Tiller as Treasurer and Rebekah Robinson as Secretary. The committee, ie Penny Anslow, Marie Louise Oldrey, Judith Robertson were re-elected en bloc with the exception of Eleanor and the addition of Lois.

The membership fee was maintained at £46 for another year and Britt reminded everyone that this is **now due**. Payment by Bank transfer is preferred as other methods incur costs. If you haven't paid in this way before and need the club's details please contact Britt.

It was suggested, and members agreed, that the money raised from the raffles at meetings last year should go to The Women's Refuge. £192 had been raised.

We had some fabulous show and tell quilts at the end then we viewed the spring challenges and voted for our favourites. Thank you to all who brought an entry along. They were all so lovely it was very difficult to choose! By popular vote the winner was .....Karuna!  
Congratulatlons!

Just a small selection of the great variety on display

## IMPORTANT NOTICE!!

Our meeting next week is in the **main hall** NOT the Harrison room because there is an election and the Harrison Room is a Polling Station! Please be aware there will be people wandering around a bit lost and parking may be a bit chaotic.

Our speaker is Chris Farrance talking about her life as a longarm quilter. Unfortunately I will not be there so pay attention, I will quiz you next month!

\*\*\*\*\*

After our UFO day last Saturday the Bookcase quilt got to a stage to pass over to Pippa who is kindly going to bring it together and make a beautiful item we can be proud to raffle on Village Day. Thank you to all the creators.

Please think about your availability on 20th June as helpers will be needed throughout the day in shifts from 9am to 5pm.
