

Mole Valley Quilters

A big 'Well Done' to all members! The sewing evening last month produced some really lovely things that sold well at Bookham Village Day. We made £467 for MVQ from sales and £148 for the Bookham Village Association with the raffle quilt. The stall looked beautiful as usual and many people commented on how nice it looked. Can you spot the maple leaf block that you made?

Next meeting Thursday 4th July

This date may ring a bell! As the Harrison Room is a polling station and I believe there is a bit of an election going on, we are meeting in the main hall. Please park at the front of the building.

Our speaker is Anne Helyer a textile artist and her talk is entitled "From Start to Finish". There will be a raffle so bring some pennies. I look forward to seeing you all .

Garden Party!

Thursday 1 August 2 - 4pm
Cresta
Druids Close
Ashted
KT21 2UH

You are invited to attend the annual MVQ Garden Party for a cream tea! There will be a decorated hat competition so put your thinking caps on and decorate them with whatever you can find. The more extravagant the better! Prizes will be awarded by popular vote.

Fun Raffle - everyone please bring a prize (around £5 in value) and everyone will be a winner!

We are very grateful to Pam and Pete for opening their garden and we hope the sun will shine for us. **Please be aware there are bee hives in the garden.** Many of us have enjoyed their honey in the past but unfortunately it hasn't been a good year for honey production so there is a bit of a shortage.

DATES FOR YOUR DIARY

- | | |
|---------------|--|

You should all have received by email an updated list of members' contact details. Please print this out and keep handy to avoid using your friends as directory enquiries! ;)
If you haven't received it please let me know claytonk054@gmail.com

The committee are thinking about running a basic patchwork and quilting skills day in 2025 for members and potential members if there is any interest. Have a think whether there are some things you would like help with or if you have a friend new to the craft who would benefit. We will be talking more about this in the future but if you have any thoughts please talk to one of the committee.
